**RE: Testimonial for your works**

---

The above caption refers.

We wish to record our appreciation in successful management of this project by Mr. Tan Teen Fatt and Mr. Wilson Tee Yong Keong

Even though your works of this project have not been completed, we expect APIC to achieve the outcome more than expected, in the view of history in commitment.

Mr. Tan Teen Fatt and Mr. Wilson Tee Yong Keong are very passionate and full of responsibility to complete this project with high quality and without any delay. Their technical know-how is very impressive and their support and cooperation in conducting with the numerous trades relating to all interfacing works.

We DEC wish to finish up this project with our appreciation to your company in the future. Please keep your interest and effort in this project same as before.

Thank you

Yours Sincerely,

**Choi Min Chul  
Chief Construction Manager  
DAEWOO ENGINEERING & CONSTRUCTION CO., LTD**
